Mr. William Barton  
429 North St. Francis  
Wichita, Kansas 67202

Dear Mr. Barton:

This is to advise you that the requirements of FAA Airworthiness Directive (AD) 84-10-01R1 do not apply to those single engine Cessna airplanes that are equipped with your replacement fuel tanks and fuel cap installations identified by the following Supplemental Type Certificates.

TANK STC #	CAP STC #	AIRPLANE MODEL & SERIES
SA2438CE	SA2379CE	207
SA2385CE	SA2381CE	185
SA2290CE	SA2377CE	210
SA2343CE	SA2380CE	206
SA2346CE	SA2382CE	180
SA2264CE	SA2376CE	182

Please advise us if we can provide additional assistance on the applicability of ADs on airplanes equipped with your replacement fuel tanks and fuel cap installations.

Sincerely,

Lawrence A. Herron  
Manager, Wichita Aircraft Certification Office
